

LEAGUE PLAY – A TEAM EVENT

Goal:

To promote camaraderie among EWGA league participants and generate enjoyment of golf through a team sport concept.

Team Setup:

The number of participants in this event will determine the numbers of players on a team, the number of team scores required each week and the number of teams for the season long event. A team will consist of six players of varying handicap ranges and 3 golfers' scores will be used by the team. The teams compete against each other weekly in a round robin series. The best net scores of the team players will be used to create the team total for the week. Team members are not required to play together.

Event Schedule:

The Event Coordinator will post the results each week after scores have been posted. Tuesday events from the first Tuesday in May to the last Tuesday in August will be used to compile cumulative Team scores. There will not be league team competition on the dates changed from Tuesday to Thursday by the City of Brooklyn Park for Corporate Events. Other dates may be excluded due to the type of event scheduled, those dates will be posted as the season starts.

Payouts:

Points accumulate for Wins (2), Ties (1) and Losses (0) for the team. Payouts will be made at the end of the season to the top one-third or one-quarter teams based on their cumulative point totals which will depend on the number of teams participating. All team members will receive equal portions of the team winnings.
