

Ringers – Season Long Event

Goal:

The ultimate goal of this event is to determine what the player's lowest gross score would be by taking the best score on each hole from all your EWGA league days (9 and/or 18-hole) rounds of golf as if you shot them all in the same round (your dream round).

Winner Determination:

After your entry fee is paid, your 18-hole handicap will be determined as of August 31. Non-handicap holding members will be put in a separate flight and assigned a handicap of zero. Depending on the number of participants, two or three flights will be created and payouts will be based on your lowest net scores for each of the 18-holes achieved on your dream round of golf.

Events that qualify for Rounds:

Participation in any Tuesday 9-Hole, Thursday 9-Hole or Saturday 18 Hole sanctioned event in which an individual hole by hole score is kept by the players will qualify (ex: Scramble events would not qualify). Season Long Match Play rounds played on non-event days will not count.

How to Score:

Once payment has been received an index card with your name on it will be placed in the ladies locker room. Only you will be responsible for updating the card. Enter your hole by hole score the first time you play in a qualifying event. After that you may only mark down a score for an improved hole. See example below.
